THIS IS A TRANSPONDER EVENT (All riders except SPROCKETS & MINI WHEELERS must provide own transponder):
Transponders can be purchased and renewed at mylaps.com. A transponder must be purchased and active PRIOR to entering this event. It is the riders responsibility to make sure that the transponder is correctly fitted and allocated to the proper rider. There will be NO HIRE TRANSPONDERS.

TRANSPONDER DISCLAIMER: I, the undersigned for myself and for my heirs, personal representatives and assigns, do hereby release and forever discharge the controlling bodies, organisers, officials, members, property owners, employees and any other persons, firm or corporation charged with responsibility or liability, from all or any claims, demands, damages, costs and expenses, loss of service and any other actions arising from any act or occurrence and particularly on account of ALL PERSONAL INJURIES, DISABILITY, PROPERTY DAMAGE OR LOSS OF ANY KIND that I may here after sustain as a result of participation in any event, as a competitor, official or spectator conducted by any club or organization affiliated with the official controlling body of AusCycling QLD. I fully understand the nature of activities to be conducted and acknowledge the hazards of said activities. I voluntarily assume the risk of injury to me person, property and the property of others. In the event of any injury I hereby give my consent for proper medical treatment to be administered. By signing this document you, and those in your company, agree to comply with and be bound by the Code of Behavior as it relates to riders, parents, spectators and officials. I agree to allow the site First Aid Officers to release any relevant information to AusCycling QLD in the event I require First Aid Attention, this information being for Insurance purposes. I am aware that any photographs, still or moving, that may be taken during the event maybe published and used for publicity and promotional purposes by AusCycling QLD. Where the Race Organisers provide/hire Transponders for electronic lap timing, it is the Riders responsibility to ensure the Transponder is correctly fitted to their bike
