EVENT FORMAT

Final Straight competition consists of the following 4 phases: -

- Practice / Qualification (run concurrently)
- Moto 1
- Qualifiers (Eights, Quarters, Semis)
- Finals – 3 x heat final

Each race will consist of maximum 4 riders per race.

Gate positions 3, 4, 5 and 6 will only be used throughout the event.

Seeding and Gate Selection

Moto 1

Moto 1 heats will be seeded based on Practice/Qualification times.

Gate selection will follow qualification seeding, with the fastest-seeded rider in each heat selecting their gate first, followed by the remaining riders in seeding order.

Qualifiers (1/8 Finals, 1/4 Finals and Semi-Finals)

Gate selection will be based on riders' lap times from the previous lap time, with the fastest rider selecting their gate first, followed by the remaining riders in lap time order.

Finals (3 x heats/races)

Gate positions will be randomly allocated for each race.

The overall winner in each category will be the rider who accumulates the lowest total points across the three (3) Final races.

In the event of a tie on total points at the completion of the three (3) Final races, the tie will be broken by the fastest time recorded in the last completed race.

If a rider does not complete a full run, they will be scored as DNF (Did Not Finish), with no re-run permitted.

Number Plates

Riders must use their own race plates during Practice/Qualification. Riders who progress to the Qualifier phases (1/8 Finals, 1/4 Finals and Semi-Finals) will be issued an event race plate, with the plate number allocated based on their seeding at that stage of the competition.

The event race plate must not be modified in any way and must remain affixed to the bike for the remainder of the event. Failure to comply with this requirement will result in the rider being refused a start in their next race or phase of competition.

QUALIFICATION

The Practice/Qualification session will be conducted as an open session, as outlined in the event schedule.

An active transponder timing system will be used to record riders' lap times. The first straight will be open for a predetermined period, during which riders may complete as many laps as possible.

The fastest lap recorded by each rider will count towards qualification. Based on these times, the fastest 64 riders will advance to Moto 1 of the elimination phase.

A maximum of 64 riders will qualify from the Open Practice/Qualification session to Moto 1 (M1).

The number of riders transferring from M1 to the next phase of competition will be determined by the total number of registered riders, as follows:

- 33–64 riders: 32 riders transfer to the 1/8 Finals.
- 17–32 riders: 16 riders transfer to the 1/4 Finals.
- 9–16 riders: 8 riders transfer to the Semi-Finals.
- 5–8 riders: 4 riders transfer to the Final.
- 4 riders: 3 riders transfer to the Final
- 3 riders: 2 riders transfer to the Final

**Noting min of 3 riders constitutes a class / category.*

AWARDS & PRIZING

The top four (4) finalists only in both the Male and Female categories will be eligible for prize money. Competitors who do not start the Final will not be eligible to receive prize money. The prize money breakdown for both Male and Female categories is as follows:
